

**Shinya Mitsudomi**

**HITACHI**  
Inspire the Next

Chief Strategy Officer  
Rail Systems Company  
Hitachi, Ltd.

Shinya Mitsudomi has been appointed as Chief Strategy Officer (CSO) of Rail Systems Company, Hitachi, Ltd. since 2012.

S. Mitsudomi joined Hitachi, Ltd. (hereafter, “Hitachi”) in 1982, and was appointed as CSO of Rail Systems Company in 2012. He has over 20 years of experience in the railway business for both domestic and international markets, successfully building long term and strong relationships with railway operators worldwide. He is one of the key-persons in the success of many of the recent overseas railway projects including High Speed 1 (CTRL-DS) Project which started passenger service since 2009 in the UK, and the Intercity Express Programme (IEP) which is the biggest PPP Project for High Speed Train in the UK.
