

Naoki Fujii

Deputy Director-General,
Railway Bureau,
Ministry of Land, Infrastructure, Transport and Tourism (MLIT)
Japan

Mr. Naoki Fujii was assigned to the present position in MLIT last September. He is now responsible for international cooperation in the railway field as well as improvement of railway services throughout Japan.

His professional career started in 1983 at the Ministry of Transport, which was reorganized as MLIT later. Other than railways, he is expertized in civil aviation and tourism in MLIT. He was responsible for the total coordination of MLIT's policies last year. He also had several chances of working at the Cabinet Secretariat and the Prime Minister's office.

He acquired master's degree in public administration at Harvard University and Syracuse University. He had research experiences at University of Tokyo and University London.
